

Manage Class Waitlists & Priority Ordering

Waitlists help manage class demand efficiently and ensure fairness for your students. They can also boost participation rates, minimize no-shows, and optimize resource allocation.

- ★ Get instant alerts on the Executive Dashboard when classes have openings so you can fill spots quickly.
- ★ Prioritize your waitlist based on enrollment status, skill level, date added, and more.
- ★ Plan for the future; class waitlists indicate how popular a class is.

Permissions control the ability of your Users to see certain data and take specific actions. Before moving forward, review [User Permissions for Waitlists](#).
