

# Review (Optional)

The eleventh lesson in this Learning Series, Supervisors and Managers, is designed to get you familiar with collecting payments from a single family. You may wish to review the articles listed below before beginning.

The review articles in the bullet list below will open the Help article in a new tab. When you are finished reviewing the material, close the tab and return to this page to access the next article using the links below.

- [Work With All Families - View, Search, and Mass Actions](#)
  - [Search for People in your Database](#)
  - [The Family Record \(Transactions Tab\)](#)
  - [Make Sale/Post Fees to a Family from the Family Record](#)
