The Practice Database is refreshed each day at approximately 5:00 am Eastern Standard Time. Anything you enter will be erased at that time.

Determine the family/student information your organization requires for each family.

Use fake names, addresses, etc. as any information you add could be viewed by others outside of your organization.

- Make up your own fake names or click [here](#) to open a website that generates fake names.
- Make up your own fake addresses or click [here](#) to open a website that generates fake addresses.

Add a family with a fake name and address.

1. Go to Families > All Families. Click the Add Icon and then Use Quick Registration Form button.
2. Enter the information for the *Family* and *Student(s)*. Fields marked with an asterisk (*) are mandatory fields.

3. You can submit the form without selecting class(es) for student(s) or you can choose to select classes and enroll the student now.
