

# Discount Tuition Fees

There are several types of discounts you can apply when posting tuition fees in Jackrabbit. The type of discount available depends on the [Billing Method](#) used.

<b>Multi-Class Discount</b> (Billing Method By Class Fee)	<ul style="list-style-type: none"><li>• Offered to students who take multiple classes. <a href="#">Learn more about Multi-Class Discounts.</a></li><li>• Defined using <b>Discount Rules</b> that are added to the classes you want to discount. <a href="#">Learn more about Discount Rules</a></li></ul>
<b>Hours Discount</b> (Billing Method By Total Hours)	<ul style="list-style-type: none"><li>• Offered to students based on the number of hours they are in classes as outlined in your Fee Schedule. <a href="#">Learn more about Hours Discounts.</a></li><li>• Defined in the <b>Discount Settings</b>. <a href="#">Learn more about Discount Settings.</a></li></ul>
<b>Multi-Student Discount</b> (Both Billing Methods)	<ul style="list-style-type: none"><li>• Offered to families who have multiple students taking classes. <a href="#">Learn more about Multi-Student Discounts</a></li><li>• Defined in the Discount Rules and Discount Settings.</li></ul>
<b>Family Discount</b> (Both Billing Methods)	<ul style="list-style-type: none"><li>• Offered to specific families for things like military discounts, staff discounts, etc. <a href="#">Learn more about Family Discounts</a></li><li>• Defined in the <i>Family</i> record, on the <i>Billing Info</i> tab.</li></ul>
<b>Additional Discounts</b> (Both Billing Methods)	<ul style="list-style-type: none"><li>• Offered to families when using the Post Tuition Fees function that are applied on top of all other discounts. <a href="#">Learn more about Additional Discounts.</a></li><li>• Defined in the Post Tuition Fees process with each batch created.</li></ul>
