

Work With All Families - View, Search, and Take Action

Permissions control the ability of your Users to see certain data and take specific actions. Before moving forward, review [User Permissions for All Families](#).

All Families, located in the *Families* menu, generates a list of all active and inactive family records in Jackrabbit. **Lead File** families are not included.

- ★ Use optional **data visuals** to view key information at a glance with interactive charts.
- ★ Drill down to specific families **using filters** organized in a slide-out filter drawer.
- ★ Save your **favorite view** (filters, selected columns, etc.) as your default view.
- ★ Display a list of families in a **powerful grid**: you can group, sort, and customize the information.
- ★ Take Action - **add a new family**, send a message, **work with a single family**, or **apply a mass action to multiple families** at once.
