Join our Jackrabbit Software Users Facebook Group

The Jackrabbit Software Users Facebook Group offers a space to collaborate with peers on business related topics within similar industries. Questions often relate to Jackrabbit, but they don't have to! You may want to know:

- ? Do you accept online payments?
- ? How do you use Jackrabbit's User-defined Fields?
- ? Do you offer makeup opportunities? If so, what is your policy?

Keep in mind the group does not replace our fantastic Support team. If you have specific questions or if something seems off, use the question mark icon  at the top-right of any page in Jackrabbit. Our Support team can access your account to help troubleshoot effectively and escalate if needed!

Not a member yet? [Request to join the Jackrabbit Software Users Facebook group](#), answer two brief questions, and a moderator will approve your request! The question responses help us approve requests faster, as this is a closed group for Jackrabbit Users only.
